

“LIKE A FINE PERFUME”

“Like a fine perfume, delicate, full of feeling... like a fado by Amália Rodrigues or Carminho... this is how we see the Boutique Hotel Rua da Prata.”

When you think about visiting Lisbon and are looking for a place to stay...

What do you expect to find?

If you close your eyes and imagine Lisbon, the first things that come to mind are surely its traditional trams, also tiles, fado, hills, yellow, codfish, bridges, rivers, the Arch of Triumph...

The heart of Lisbon opens the way to one of its most cherished streets, revealing a well-kept secret hidden beneath: some “Roman catacombs.”

Another of its best-kept secrets will be revealed in this presentation.

TRADITION REINTERPRETED

A Tribute to the Soul of Lisbon.

We reclaim the authentic, its materials, its history, its rhythm, and transform it into a contemporary hospitality experience.
